Jacksonville, FL 32224

RE: Certification by Reciprocity
Diversified Environmental Laboratories, Inc.
Georgia ID #C051

Dear Mr. Risk, Jr.:

The Georgia Department of Natural Resources, Environmental Protection Division (EPD) is in receipt of all required data necessary to fulfill your laboratory's request for Certification by Reciprocity in Georgia. Therefore, in accordance with the Georgia Safe Drinking Water Act of 1977 (Sections 12-5-170 through 12-5-193, O.C.G.A.) and the Rules for Safe Drinking Water (Chapter 391-3-5), this certification is valid until June 30, 2025. This certification is contingent upon continued Certification by the State of Florida and is non-transferable. This certification is also contingent upon continued acceptable semi-annual Proficiency Testing results.

If Diversified Environmental Laboratories, Inc.'s certification status is downgraded for any analyte/method by your Primary Accrediting Agency, the GA Certification Program must be notified. Any downgrade will result in the withdrawal of reciprocity for that analyte.

Prior to the expiration of this certification, please contact your accrediting/certifying authority and request that the following information be forwarded to Griffin Hughes at Griffin.Hughes@dnr.ga.gov and Lynne Grubb at Lynne.Grubb@dnr.ga.gov.

1. Copies of the most current on-site and accepted corrective actions
2. Copies of the scope of accreditation listing analytes

If you have any questions, please feel free to contact Griffin Hughes at 470-524-7499.

Griffin Hughes
Laboratory Certification Officer
Drinking Water Compliance Unit
